

Application Guide for TÜBİTAK Coordinators Support Program

Support Program for ‘EU FP Coordinators’, has been established by TÜBİTAK for encouraging Turkish Institutions to lead consortia in projects submitted under EU FP calls and increase their success rate of them in European Union Framework Program (EU FP). There are five sub-supports within the scope of the program.

The coordinators, who wish to apply for the support, have to go through the “General Application” process first. Following the approval of the general application to the Coordinators Support Program, a new application must be made for each of the sub-supports and approval must be obtained from TÜBİTAK.

➤ **Travel Support for Consortium Building Activities**

This support is designed for potential coordinator/project team for their participation in meetings/events/negotiate with the European Commission. Their travel and accommodation costs are covered within up to 4 travels per project.

➤ **Organization Support for Consortium Building Meeting**

This support is designed for organizations lasting a maximum of 2 days in Turkey or abroad. The casts of venue, catering, technical equipment, and travel for two representatives from the project team will be covered.

➤ **Training for Project Writing and Submission Process**

This support is designed for coordinator candidate or project team (up to 3 people) for their participation in training (Financial Issues, IPR, Project idea compiling, etc.). The cost of training fee, travel and accommodation will be covered.

➤ **Project Writing Support**

This support is designed for candidate coordinators who want their idea to be converted into the project by experts or organizations that meet the TÜBİTAK’s criteria.

➤ **Project Pre-evaluation Support**

This support is designed for candidate coordinators who want their project proposals to be reviewed by experts or organizations that meet the TÜBİTAK’s criteria.

SUB-SUPPORT PROGRAMS

Within the scope of the “Procedures and Principles for Support and Award Programs to Encourage Participation in International Cooperations of TÜBİTAK”, individuals whose applications to the “Coordinatorship Support Program” are eligible to be supported, can print projects from expert persons/organizations that comply with the criteria published by TÜBİTAK on the EU FP official website. They can receive project pre-evaluation and/or project writing-presentation training services.

The expert person/organization criteria are determined based on the past EU WP experiences of the individuals/organizations and are calculated using the scoring method. Applicants determine the expert person or institution from which they will receive service by the published criteria and notify TÜBİTAK.

Application Guide for TÜBİTAK Coordinators Support Program

The applicant determines the expert person or institution to be served in accordance with the published criteria and notifies TÜBİTAK during the sub-support application. If the expert person or organization from which the service will be received is found insufficient by TÜBİTAK within the scope of the relevant criteria and the purpose of the support, the expert person or organization's proposal is requested to be changed and a document is submitted to TÜBİTAK again, and the result regarding the eligibility is notified to the applicant via e-mail.

IMPORTANT NOTICE: After the sub-support application is made, the service should not be started before the result e-mail and the approval of the experts/expert organizations is received. In case of initiation, all risks that will arise belong to the applicant. Since TÜBİTAK is not a party to the contracts made with the experts/expert organizations and is only a support provider, it is not responsible for the fees incurred for the services subject to sub-support applications that are not approved.

Experts/expert organizations that meet the criteria for Multi-Partner Projects, EIC Pathfinder and EIC Transition Programs Projects, Partnered and Non-Partnered IEP Projects, will also be directly suitable for as well as European Innovation Council (EIC) Accelerator Program and Eurostars-3 projects. Each experts/expert organization that is planned to receive service for EIC Accelerator and Eurostars-3 projects must prove that they have met the current criteria within the last 2 years, based on the call cut-off date, which is the subject of the application (projects for which the experts/expert organizations have met the criteria before the last 2 years will not be considered). If the experts/expert organizations to be served is found insufficient by TÜBİTAK within the scope of the relevant criteria, the applicant is requested to change experts/expert organizations.

It is the applicant's responsibility to conclude all agreements, including the Intellectual Property Rights (IPR) confidentiality agreement, which may be drawn up for the protection of the project idea related to service procurement.

IMPORTANT NOTICE: It is expected that supporting documents provided for project writing and pre-evaluation services to reflect the content of the services provided by the expert/organization. In case the content of the service is not clearly understood from the supporting document provided, additional supporting documents may be requested.
