

Horizon Europe – ASI Marie Skłodowska-Curie Actions Postdoctoral Fellowships 2026

Deadline - Expiration date for expressions of interest from postdoctoral researchers: July 10th, 2026

Let's Space! Research project proposals to progress on the path of Space knowledge

[MSCA Postdoctoral Fellowships](#) enhance the creative and innovative potential of researchers holding a PhD and who wish to acquire new skills through advanced training, international, interdisciplinary and inter-sectoral mobility. MSCA Postdoctoral Fellowships will be open to excellent researchers of any nationality.

Fellowships will be provided to excellent researchers, undertaking international mobility either to or between EU Member States or Horizon Europe Associated Countries, as well as to non-associated Third Countries.

Applications will be made jointly by the researcher and a beneficiary like the Italian Space Agency (ASI).

For full details visit the call page on the EU [Funding & Tenders portal](#).

The **Italian Space Agency** launches “**Let's Space! Research project proposals to progress on the path of Space knowledge**” in order to offer the opportunity for hosting **MSCA Postdoctoral European Fellowships** on a wide spectrum of frontier research to advance in the field of Universe, Space and Earth sciences:

- Close collaborations with ASI expert supervisors to enhance the **quality of the research** programs and of **knowledge transfer**
- Access to ground/space research **infrastructures** to extend the program objectives and impacts
- Training in strategic fields for improved **international career perspectives**

The “ASI Marie Skłodowska-Curie Actions Postdoctoral Fellowships 2026” call for **European Postdoctoral Fellowship** is open. **The ASI call will close on July 10th 2026.**

The deadline for submitting proposals to the European Commission is: 09 September 2026 17:00:00 Brussels time.

The **European Postdoctoral Fellowships** are open to researchers moving within Europe or coming to Europe from another part of the world to pursue their research career. These fellowships take place in an EU Member State or Horizon Europe Associated Country and can last between 1 and 2 years. Researchers of any nationality can apply.

If you are interested in **ASI MSCA PF Hosting Offers** contact the ASI Staff involved in the programme.

ASI MSCA PF Hosting Offers

Research Field: Planetary exploration

- ❖ **Thermophysical and chemical evolution of lunar regolith during thermal processing**

ASI contact person: Dr. Claudia Esposito/Technologist, claudia.esposito@asi.it, +39 06.8567258

Abstract

Research Field: Space developmental biology of plants

- ❖ **The “IPOGEO - Investigating Plant prOprioception in altered Gravity EnvirOnment”**

ASI contact person: Dr. Marta Del Bianco/Researcher, marta.delbianco@asi.it, (+39) 06.8567705

Abstract

❖ **PRO-MAVORS - Plant Responses in unManned VOyage gReenhouse Systems**

ASI contact person: Dr. Marta Del Bianco/Researcher, marta.delbianco@asi.it, (+39) 06.8567705

Abstract

Research Field: Global Navigation Satellite Systems

❖ **TILDEindeep**

ASI contact person: Dr. Francesco Vespe/Chief Technologist, francesco.vespe@asi.it, (+39) 0835 377512

Abstract
